STOP KEYLESS CAR THEFT

There are a variety of ways criminals can gain access to a keyless car.

Keep your vehicle safe by following these simple tips:

- Keep all fobs/keys out of view and away from windows & doors.
- Keep fobs in a security pouch to prevent it being scanned.
- Ask your car dealer if your fob can be turned off?
- Park vehicles in a garage/driveway or in well lit areas.
- Lock your vehicle and consider using a Thatcham or Sold Secure approved steering lock.
- Never leave items on display.
- Consider fitting a tracking device.
- Keep control of your keys to avoid cloning.
- Be vigilant and report suspicious behaviour or concerns by calling ☎ 101 or ☎ 999 in an emergency.
